## YOUNG WIFE ACCIDENTALLY SHOT IN ARM

An attempt to kill a snake led to the wounding of Mrs. Shirley Ann Showers, 20, Aspers, Thursday evening.

Mrs. Showers was admitted as a patient at the Carlisle Hospital for treatment to the wound made by a .22 calibre bullet as it passed through her right arm about three inches below the shoulder.

State Police Corporal James Treas said the shooting came about in this fashion:

Thursday afternoon about 3:30 o'clock Mrs. Showers was walking with her four-month-old son, Randall, on the front lawn of their home on the western side of Aspers. She saw a snake on the grass and called her husband, Jackie Dean Showers, 21, an unemployed mechanic.

Mr. Showers went into the house, secured his .22 calibre revolver and came out to seek the snake. Failing to find the reptile, he placed the revolver on the seat of his car for easy access in case the snake were seen again.

Thursday evening, he and Mrs. Showers and their son returned to their home from a drive and Mrs. Showers again saw the snake. Mr. Showers stopped the car, got the gun, went in search and again the snake disappeared.

He returned to the car, drove it back of his house, got out of his side of the car and picked up some baby clothes, the revolver and holster and then, when Mrs. Showers asked him to take the baby until she was able to clamber out of the car, he reached out for the child.

The gun discharged and the pellet ripped into one side of Mrs. Showers' arm and out the other side. Police said Showers already had the child in his arms when the gun discharged.

## Civil Rights Bill Awaits Signature Of President

By WILLARD H. MOBLEY  
WASHINGTON (AP) — Only President Eisenhower's signature — certain to be forthcoming — now is required to put into force a new law empowering federal court referees to help Negroes obtain the right to vote.

The House completed legislative action on the 1960 civil rights bill Thursday with a 288-95 roll call vote accepting Senate amendments to the measure the House had passed earlier.

If he wants to take that long, the President has 10 days in which to act, but the administration's mind obviously is already made up.

That was underscored by a statement prepared by Atty. Gen. William P. Rogers in advance of final passage and released when the House acted.

**"Vigorous Enforcement"**  
Rogers promised vigorous enforcement action where needed.

"Its impact, once the expected legal challenges have been dis-

posed of in the normal judicial process, will be substantial. I believe, both in establishing the right to vote of those who have been discriminated against on account of race or color, and by deterring future discriminations by persons acting under color of state law," Rogers said of the bill.

The key voting rights section follows with relatively minor changes the formula recommended by the Justice Department.

It authorizes federal courts and voting referees appointed by those courts to register Negroes to vote in areas where the courts find a pattern of discrimination against them.

## Other Provisions

Other sections of the bill: Make it a federal crime to obstruct execution of any federal court order by force or violence. As originally proposed that section would have applied only in school desegregation cases such as those at Little Rock, Ark. as

Almost certain to end this school year "in the red," the Gettysburg Borough School Board at a special meeting Thursday evening in the high school building approved a \$456,850 budget for 1960-61 and voted per capita and property tax increases for the borough.

By the unanimous vote of the five directors present, the per capita levy will be increased from \$12.50 to the state-fixed maximum limit of \$15 and the real estate levy will go from 42 mills to 46 mills.

These extra tax money are expected to bring the budget for next year into balance with the year-end surplus in July, 1961, estimated at \$47.

## At Least \$10,000 In Hole

Figures presented to the directors Thursday evening by Superintendent H. Edgar Riegle indicated the local school district will end the current year with an \$11,000 deficit and if a state appropriation of \$15,000 is not received by July 1 that deficit will become about \$26,000.

The budget which received preliminary approval Thursday evening and will be up next month for final adoption is about \$31,000 above last year's budget but approximately equals the actual amount which will be spent in the 1959-60 year which ends July 1.

The 1959-60 budget was thrown off balance when state-ordered changes at Meade School proved far more costly than estimates made at budget-making time a year ago. Another extra expense was the emergency installation of a hot water system at the high school after a 30-year-old boiler burst. The Gettysburg Borough School District had to pay its share of both those unbudgeted items.

## Start Paying For New Unit

The amount the borough school district must pay into the joint district treasury will rise for 1960-61 because the joint board's budget is up.

The new budget okayed Thursday evening also includes the borough's share of an initial \$40,000 rental payment on the "extra high school facilities" that now are only on paper. Actual annual rentals are expected to be considerably higher but this sum was put into the joint school budget for the coming year.

Thursday's action gives Gettysburg its second school tax increase in two years. A year ago the board raised the millage from 36 to 42 and raised the per capita

## File Answer And Counterclaim

Elizabeth V. Bream and Earl McCleaf, N. Stratton St., disagree on who is at fault in their auto collision, according to papers filed at the courthouse.

Mrs. Bream resides at 310 N. Stratton St., Mr. McCleaf across the street at 309 N. Stratton St. Recently Mrs. Bream brought a trespass suit against Mr. McCleaf as a result of an auto accident April 22, 1958, a little over a mile north of here on the Mummaburg Rd.

Mrs. Bream claims McCleaf was at fault in the accident and asks damages in excess of \$5,000. Today Attorney S. M. Raffensperger filed an answer and counterclaim for McCleaf. He alleges that the accident was not his fault and that Mrs. Bream was on the wrong side of the highway attempting to turn into a township road. Not only does he not owe Mrs. Bream anything, McCleaf alleges, but he insists she should pay him damages in excess of \$5,000 for the \$1,000 loss to his station wagon, plus medical and doctor bills for his injuries and expenses he had in getting someone to operate the Blue Parrot Tea Room while he was laid up by the injuries.

Whether this is done will depend on agreement by the North Atlantic Treaty Organization foreign and defense ministers to buy the Polaris missiles.

Mount Hydrogen Heads  
The Polaris, like other ballistic weapons, will mount hydrogen warheads. This would raise the question of how the warheads would be provided, since U.S. law forbids releasing custody of nuclear weapons to any foreign nation. Gates said he did not contemplate asking at this time that the law be changed.

One possibility, however, would be for countries which have developed nuclear explosives—England and France—to make their own warheads and fit them to the U.S. rockets.

Gates told a news conference Thursday that the Navy, which is perfecting the Polaris missile, expects to increase the range to 2,500 miles from the 1,500-mile range weapons which will be used in the first Polaris-firing submarines.

## WOMAN KILLS HER HUSBAND WITH HAMMER

PASADENA, Calif. (AP)—A missile executive's wife says she beat her husband to death with a ball peen hammer because she "couldn't stand it any longer" when he accused her of infidelity, police reported today.

The wife then attempted suicide, investigators said.

William Howard Taft, 38, an executive of Aerojet-General Corp. and reportedly a distant cousin of the onetime President Taft, was found dead in bed Thursday.

Martha Ann Taft, 30, was hospitalized in critical condition. She had slashed her wrists and taken an overdose of tranquilizers.

Detectives said she left a rambling note indicating she got out of bed early Thursday and still not fully awake, "got our hammer and I hit him over and over and over. I loved him."

Tells Of "Attack"

Another part of the note said: "Six weeks ago I was attacked by a man I didn't know. I couldn't tell anyone, particularly Bill because he was so jealous."

"I finally told him, and we went to a doctor to see if I was pregnant."

"He accused me of being unfaithful and began to beat on me. I couldn't stand it any longer."

Her note said the doctor determined she was not pregnant.

The Tafts had no children.

Mrs. Taft was booked on suspicion of murder. Detectives stood outside her hospital room, waiting to question her should she regain consciousness.

## Asks Annulment After 14 Years

Betty Elizabeth (Louey) Allen, Hanover, Conewago Twp., is seeking an annulment of her marriage to Sturgis Warren Allen, now at the Veterans Hospital, Lebanon.

According to papers filed by Mrs. Allen in the prothonotary's office she and Mr. Allen were married at Westminster October 27, 1945, and lived together as man and wife until August 29, 1958. However, according to Mrs. Allen's complaint, Mr. Allen had been married September 19, 1944, to Zarlene L. Ward of Charleston, S. C. Since Mr. Allen did not obtain a divorce from his first wife until September 5, 1946, eleven months after he had married the present Mrs. Allen, she asks the court to annul her marriage.

PERMITS ISSUED  
T. J. Winebrenner and Son have obtained permission to move a 24x26 building from 633 S. Washington St. to the rear of 633 S. Washington St. facing Johns Ave. at a cost of \$2,000, according to a building permit issued by Council President Glenn Guise in the absence of Burgess Wilbur L. Plank.

Boyd E. Reindollar was given permission to erect a carport at a property on Johns Ave. at a cost of \$1,000.

STOCKS LEAN UPWARD  
NEW YORK (AP)—The stock market leaned to the upside in moderately active trading early this afternoon. Averages were dampened by a sharp loss of Union Carbide.

For most key stocks, gains of fractions to a point outnumbered losses in the same range.

## U. S. READY TO BOLSTER NATO DEFENSE SOON

WASHINGTON (AP)—The United States could bolster the land defenses of its NATO allies with quick-shooting, mobile Polaris missiles within the next two or three years, says Secretary of Defense Thomas S. Gates Jr.

He believes the missiles—which eventually will have a range of up to 2,500 miles—could be delivered to America's Western European allies even before the 1963 date which Gen. Lauris Norstad, NATO military commander, has suggested.

Whether this is done will depend on agreement by the North Atlantic Treaty Organization foreign and defense ministers to buy the Polaris missiles.

The Polaris, like other ballistic weapons, will mount hydrogen warheads. This would raise the question of how the warheads would be provided, since U.S. law forbids releasing custody of nuclear weapons to any foreign nation. Gates said he did not contemplate asking at this time that the law be changed.

One possibility, however, would be for countries which have developed nuclear explosives—England and France—to make their own warheads and fit them to the U.S. rockets.

Gates told a news conference Thursday that the Navy, which is perfecting the Polaris missile, expects to increase the range to 2,500 miles from the 1,500-mile range weapons which will be used in the first Polaris-firing submarines.

Polaris weapons have been offered but have been neither accepted nor rejected by NATO.

A separate missile weapon discussion is shaping up between the U.S. and Britain.

Britain announced last week that she was abandoning her own intermediate range ballistic missile project, the Bluestreak, which was being designed for launching from fixed land bases.

In the United States, one argument against fixed missile launching bases is that they make good targets for enemy missiles.

What is now contemplated is British adoption of the U.S. Air Force Skybolt ballistic missile.

The Skybolt, still in the very early stage of development, is intended to be an airplane-launched missile. Its range would be about 1,000 miles.

## Reach Financial Pact For Divorce

BEVERLY HILLS, Calif. (AP)—Actress Hedy Lamarr says a long distance telephone call has straightened out financial problems in her divorce suit set for trial today in Houston, Tex.

Her fifth husband, oil millionaire W. Howard Lee, 52, filed the original divorce complaint and the actress cross-complained.

She announced through her business agent, William Stein, that the financial settlement has been worked out with her husband's attorneys. Stein said the 45-year-old actress will not go to Texas. She remained in seclusion at her home here.

Stein declined to give details of the settlement.

## Students Demonstrate In Inchon; Rhee Opponents Battle Foes In Assembly

Ten thousand teen-age students paraded all day through the port of Inchon today in the biggest antigovernment demonstration since the "bloody Tuesday" riots.

The youthful mob in the port city 30 miles west of Seoul smashed four windows in the headquarters of Rhee's Liberal party and chanted demands for the resignation of Vice President-elect Lee Ki-Poong, shouting that his election with Rhee on March 15 was crooked.

Unlike the rioting Tuesday in Seoul and other major cities, there was no bloodshed. The police—already severely criticized for killing protesters—marched Tuesday—fired three blank shells over the Inchon demonstrators but otherwise made no attempt to disperse them.

The police even provided three water wagons for the students.

It was the third consecutive day of antigovernment demonstrations in Inchon. The port is not one of the five Korean cities put under martial law Tuesday, when at least 125 persons were killed in Seoul and other centers in the near-revolt against the government.

The general public was quiet in Seoul, though there were rumors that university students planned another big protest Saturday.

But in Seoul opponents of Rhee in the National Assembly scuffled for five minutes in the assembly chamber with deputies from the president's Liberal party.

The fight started when Defense Minister Kim Chung-Yul, explaining why the government imposed martial law during the rioting Tuesday, said:

"The students resorted to indescribable violence, murdered police, set fire to police stations and other government buildings."

"Tell the truth! Retract your statement!" shouted Chang Taek-Sang, an Independent.

Lee Pil-ho of the opposition Democratic party rushed to the rostrum and shoved Kim. Others dashed up, trying to calm Lee. Shouting and confusion followed.

A recess was called and order was restored.

## Teachers Well Paid

"Teachers are well paid and their work load not heavy. The Russian people go in for reading a lot and books are readily available to all.

"Women play an important part in Russia and everywhere you find women working. The surplus in women over men is around 20 million. In Moscow University the faculty is composed of 48 per cent women and the student body ratio is about 40 per cent women. It's a common sight to see women working as engineers and in other professional occupations as well as women in unskilled occupations."

## School Districts Get State Money

tance from the site of the septic tank.

Grandview Terrace, Bonneauville While 75 per cent of the wells in the county are polluted, two areas in the county are in especially grave danger, Grandview Terrace and Bonneauville, because of the large number of wells and septic tanks within a relatively small area.

Sheffer praised the county for eliminating all of its open refuse dumps with the exception of a few small ones. Three sanitary landfills are now in operation, he said. The problem of disposing of refuse has been enlarged, he said. "By modern living habits which use disposable containers for milk and other foods which add greatly to the amount of refuse which must be disposed of."

He cited a survey which the Department of Health conducted in Lebanon County and urged such a survey of Adams County. The survey can be made by the state at the invitation of the commissioners and borough officials.

## Elect Keefe President

The sanitarian held there "is much need of legislation in Pennsylvania to control placement of wells and septic tanks." He added, "In many townships and boroughs there are no zoning codes which define the size of the lot and the type of water and sewage which can be used in a home built on each lot. As a result, there is frequent pollution of water supplies."

New officers were elected by the Council of Community Services. They were: President, County Superintendent of School C. P. Keefe; first vice president, Mrs. Verna Myers; second vice president, Rev. Fr. LeRoy Spisak; secretary-treasurer, Miss Elizabeth Rutledge; directors for three years, Mrs. David Blocher, Dr. Doo, Burgess Wilbur Plank; director for two years, Mrs. Harold Ecker.

Mrs. Henry T. Bream, retiring president, said the principal achievements of the council during the last year were compilation of a new directory of Welfare Services; formation of an Adams County Mental Health organization and the program features at he assembly meetings for which the divisions are responsible.

Cites "Urgent Needs" She said "most urgent needs in the county" include a home-maker service, marital counseling, a psychiatric clinic, and an "on-going program of education to strengthen family life." She reported that Robert Menges of the Sigma Nu fraternity, president of the Luther League of America, attended all sessions of the President's White House Conference on Children and Youth and will be available from the second week of May until the end of the college session to report to interested groups on his experiences at the conference.

She also reported that Dr. Joseph Riley has been appointed by Governor Lawrence as local representative to the Governor's Committee on the Aging and the Aged and described the setup of the county committee headed by Rev. Charles Held and Dr. John Anderson with 24 members on the committee.

The council was asked by the state Department of Welfare to support plans of the department to provide a case worker and day care center in the area for the migrant workers coming into the county. The state claimed the services will "need strong citizen support if the needs of Southern Negro and Puerto Rican laborers are met." The council voted to give the program its "strong support."

Next meeting of the assembly will be held September 22 at 9:30 a.m.

## BLACKSMITH BOWLS 300 GAME

TOLEDO, Ohio (AP)—The name of Louis Fackso doesn't appear anywhere in the official schedule of the 1960 American Bowling Congress tournament, but it will be in all of the ABC record books of the future.

The 46-year-old Lorain, Ohio, blacksmith fired a 300 game in the singles event of the ABC Thursday, the 16th man in the 57-year history of the tournament to bowl a perfect game.

The last one came in 1958 in Syracuse, N. Y., by Ed Shay of Chester, Pa.

Fackso, an employee of the National Tube Division, came to the tournament as the sixth man of the Lorain Music Co. team, captained by the Rev. Joseph P. Conlon.

Because most of his bowlers work split shifts, Father Conlon was not sure which bowler would be available, and Fackso's name did not appear.

His 632 series should give Fackso a piece of the ABC prize melon.

LAKELAND, Fla. (AP)—Ten prisoners at the city stockade are on a bread and water diet today—punishment for a sit-down strike they staged in protest against wearing uniforms while on work details.

The prisoners claimed they were not criminals and that the uniform humiliated them.

In the past, misdemeanor prisoners assigned to garbage details and work on city streets have worn their own clothes.

## BOWLES SEES W. VA. VICTORY FOR KENNEDY

YORK, Pa. (AP)—The Democratic Party's new platform chief predicts Sen. John F. Kennedy (D-Mass.) will defeat Sen. Hubert Humphrey (D-Minn.) in the West Virginia presidential primary next month.

"His Kennedy's decision to take on the question of religion... in the primary was correct," Rep. Chester W. Bowles (D-Conn.) added during a news conference Thursday night.

Bowles is a foreign policy adviser to Kennedy, who is a Roman Catholic.

At Annual Dinner Bowles was in York for the third annual Roosevelt Memorial Dinner sponsored by York County Democrats.

He said the Civil Rights issue will be the toughest problem facing the 108-member platform Committee. He would not discuss other possible planks.

He also expressed hope at the news conference that the Civil Rights issue would not cause a party split as it did in 1948 when Southern Democrats walked out of the convention.

"I think the big thing we have to do is advocate a meeting of minds of moderate people," Bowles said.

To Conduct Hearings Bowles viewed the Civil Rights issue as slightly different than it was 12 years ago.

"In some ways there is less tension, in some ways there is more," he declared to be more specific.

The Platform Committee will conduct hearings throughout the nation to get all viewpoints on the party platform, Bowles said.

In his address to the 1,100 diners, Bowles said the Eisenhower administration "has failed to understand the basic challenges of our times."

"The present administration has never understood foreign aid" and has shown pretty convincingly that it does not know how to cope with the world in which we live."

## Missing Man Is Sought In Quarry

STEWARTSVILLE, N.J. (AP)—Skin divers are searching the bottom of a water-filled quarry today for the body of a Pennsylvania man missing since Sunday. A cigarette lighter and a handkerchief found in 70 feet of water have been identified as his.

The search began after state police found the car of Albert P. Hlavaty, 36, of Harrisburg, Pa., abandoned Tuesday on Rt. 24 near the quarry.

Troopers found \$3,600 in bonds and personal belongings in the car. They said Hlavaty had been missing since leaving his home Sunday. He had recently suffered a nervous breakdown, police said.

## FOUR TIED IN GOLF TOURNEY

NEW ORLEANS (AP)—Three golfers shooting for the top prize in the \$27,000 Greater New Orleans Open could best attest today to the poetic observation that success is counted sweetest by those who never succeed.

The three are professionals Jackson Bradley of Houston, Texas; Houston LaClair of Birmingham, Ala.; and J. C. Goosie of Knoxville, Tenn., all tied with former PGA champion Lionel Hebert of Lafayette, La.

Not that their opening round 67s Thursday were secure. Only one stroke back was a group of six pros, including veterans Doug Ford of Crystal River, Fla., and Billy Maxwell of Oceanside, Calif.

Still another 10 were only two strokes off the pace as the third staging of the New Orleans tournament entered its second round. Hebert has been in the forefront of the touring pros for many years.

Bradley, LaClair and Goosie haven't won \$1,000 among them on the present tour.

Pre-tournament favorite Dow Finsterwald of Tequesta, Fla., had a 69, along with defending champion Bill Collins of Crystal River.

## Name All-Star Hockey Team

MONTREAL (AP)—Scoring champion Bobby Hull and durable Glenn Hall of the Chicago Black Hawks plus two members each of the kingpin Montreal Canadiens and the Detroit Red Wings gained positions on the National Hockey League's all-star team today.

Hall, the only goalie to play a full slate of 70 regular season games, edged Jacques Plante, Montreal's masked midget, by a single point—106-105. Hull collected 172 points to lead the left wingers in the two-pronged voting by sportswriters and broadcasters in each of the circuit's six cities.

Also named to the first team were right winger Gordie Howe and defenseman Marcel Pronovost of Detroit and center Jean Beliveau and defenseman Doug Harvey of Montreal. Harvey, the defensive bulwark of the powerful Canadiens, was selected for the eighth time.

## EMMITSBURG

(Continued From Page 1)

sented to Arthur Elder of the Emmitsburg Chronicle for his assistance in the formation of the chapter.

Senator Snyder told the 80 present Jaycees is the third largest service organization in the world with more than 350,000 members in 90 countries. In the United States there are 3,300 chapters.

The speaker cited five main aims of the Jaycees:

"Develop Leadership" "To make the community in which the chapter is located a better place in which to live; to develop leadership; to offer education, recreation and social activities to men of Jaycee age; to prove that service to humanity is the best work of life and to give young men a voice in the affairs of their community, state and nation."

Each community has three levels of citizenship, Snyder said, the evil, criminal element who take the negative approach; the law abiding citizen who represents John Q. Public, and those who reside in the realm of unenforceable obligation and who because they feel those obligations take the initiative to work for and with their community."

## "Faith In People"

He said that one area in which participation should be stressed is politics. "Far too many feel that there is something crooked about politics. Too many stay away from political participation in any form. We need far more participation by those who can stand for principles. A true democracy puts its faith in the people and that faith is translated into faith in those who represent the people in the legislative halls. They must be men who will not only represent the immediate interests of their constituents but men who will also express the best judgment of their constituents for the good of all."

State Director Carroll Frock, of the Emmitsburg chapter, was the toastmaster. President Rodgers introduced the representatives from other Jaycee units.

The Emmitsburg chapter meets the second Wednesday of each month and has been varying its meeting place between the VFW and the American Legion.

A car wash and teen-age record hop were among the projects completed by the chapter this month.

## New Forest Park Will Open Sunday

The New Forest Park at Hanover will open for the season Sunday. Rides, equipment, picnic grounds and tables have been overhauled and repainted. New gas-powered hot rod cars have been installed. The track runs through the dance floor, and is extended out the back of the building, making the only indoor, outdoor, elevated track in the east, park owners claim.

Keith Daniels and His Blue Ridge Ramblers will appear both afternoon and night.

School tickets, good for free rides, skating and contests have been distributed for these Saturdays: April 30, Hanover School Day; May 7, Adams County School Day; May 14, York County School Day; May 21, Maryland School Day; May 28 and June 4, Everybody's School Day.

levy from \$10 to \$12.50. Discussions at Thursday's meeting indicated the possibility of the need for more tax money in another year.

## Talk About New Sources

Several directors urged new tax sources be sought under the "tax anything" law. The school district solicitor will be asked for an opinion on the possibility of a "motel-room occupancy tax" for school purposes.

Discussions indicated that the board was not inclined to resort to any "fancy taxes" until it had gone the limit on per capita tax and had reached the stopping point on real estate millage.

Other tax possibilities mentioned in the discussions were a wage tax and or a heavy occupation tax similar to that proposed in Upper Adams and some other nearby school districts.

## Transfer Tax Disappoints

The one per cent real estate transfer levy, inaugurated a year ago, and expected to produce \$16,000 to \$18,000 per year has been a disappointment so far this year with only about \$5,600 realized from that source. In next year's budget, the real estate transfer tax is being counted upon for \$10,000.

The extra real estate millage is expected to bring in \$20,336 and the increase in the head tax should net another \$9,890, the board estimated. The other big receipt item is the \$142,000 the town expects from the state in appropriations for next year.

The budget provides \$319,000 for payments to the joint board and a net of about \$7,000 for the recreation program. It provides \$102,400 for the rental payments on new school buildings and \$10,000 to repay a loan the board expects will have to be made to finish the current year.

On the bright side there was only the possibility—and the board felt it is too remote to count on as an income item—that the state may reimburse the joint district for part of the money spent on Meade School.

## To Use Money On Deposit

The local board expects to have to spend about \$134,000 before the end of June and has only about \$122,000 in sight to cover that obligation, even if the unexpected \$15,000 arrives from the state. The board will have to use \$20,000 it has had on interest for several years and a \$20,000 treasury bill it bought earlier this year in order to pick up a few hundred dollars in interest on money then idle in its treasury.

President Robert D. Deardorff presided at Thursday's meeting with all members present excepting Dr. Richard Newsham and Mrs. M. Hardy Nichols. Thursday night's meeting took the place of its regular April meeting which was scheduled for April 4 but was not held then because budget figures were not yet available from the jointure.

No advance announcement was made of Thursday's meeting.

## SPITTLEBUG SPRAY URGED

County Agent Frank S. Zettle today urged that red clover, ladino clover and birdsfoot trefoil fields be sprayed next week to control spittlebug.

Three quarts per acre of a 25 percent Methoxychlor emulsion should be used, Zettle said. If a high pressure sprayer is used it should carry 200 to 400 pounds pressure applying 50 to 100 gallons of spray per acre. For weed type sprayer 40 to 80 pounds pressure should be used and 20 to 30 gallons of spray applied per acre.

Alfalfa fields should not be sprayed at this time, Zettle said. Since alfalfa weevil larvae have not as yet hatched, farmers should wait until they see small larvae feeding in the crowns of the alfalfa plant before spraying those fields. Zettle said it will be possibly "a week or ten days" until the alfalfa weevil larvae appear. Spittlebug however is hatching rapidly.

Heptachlor, used last year for spittlebug control can no longer be used according to Food and Drug Administration recommendations. Zettle also warned farmers who used weed killers in their sprayers last year to soak them overnight with ammonia to clear out all traces of the weed killer before spraying the legumes.

ESTES PARK, Colo. (AP)—The bodies of two young students, one going to the aid of the other, were found on 14,255-foot Longs Peak late Thursday.

Prince Willmon, 23, of Fort Smith, Ark., and David L. Jones, 19, of Webster Groves, Mo., apparently were the victims of a spring blizzard which trapped them and a girl companion on their mountain outing.

Jane Bendixen, 19, of Davenport, Iowa, was the lone survivor. She staggered to shelter late Wednesday, dazed and frostbitten. All are students at the University of Colorado at Boulder.

## Half A Mile Apart

Rescue crews came upon the bodies of the two youths within a half mile of each other at 13,000 feet on the southwest slope of the peak in Rocky Mountain National Park. They remained with them overnight.

A helicopter from Lowry Air Force Base at Denver was scheduled to make an attempt to reach the bodies today.

The three and a fourth companion, James A. Greig, 21, of Glenview, Ill., began their outing Monday. Greig became ill the next day, however, and turned back.

Miss Bendixen, taken to a hospital at Boulder, said the three had climbed almost to the summit on Tuesday when the blizzard hit them. She and Willmon were badly frostbitten.

Miss Bendixen and Jones left Willmon in an ice cave for shelter on Wednesday and began a perilous descent over snow and ice-covered trails to seek help.

## Left In Ice Cave

Miss Bendixen said she fell down a rocky cliff a short time after she passed Jones. She was knocked unconscious.

When she recovered, she yelled for Jones but got no response. She finally made her way to a mountain home at Allenspark, 12 miles south of here, and called authorities.

## Died Of Exposure

Radio reports from the rescue groups indicated Willmon died of exposure. Jones presumably died in a fall—possibly down the same cliff where Miss Bendixen herself was knocked out.

All three were experienced climbers. Miss Bendixen said she had climbed Longs Peak three times before.

Park rangers said trails on the peak are clearly marked "closed" at this time of year. Greig said he and his three companions failed to see the signs, however.

revised, it applies, over union objections, in such matters as labor cases.

Make a federal crime of flight across state lines to avoid prosecution for bombing any building or structure. Growing out of the bombing of some integrated Southern schools, that section in its first form would have applied only in church or school bombings.

Require state and local election officials to preserve their records for 22 months and keep them available to federal inspectors.

Empower the federal government to provide schooling for children of servicemen where schools in the vicinity of military posts are closed in integration disputes.

The bill as passed goes well beyond what Southern opponents were really willing to take. But it stops far short of what the principle civil rights advocates tried to get.

## Today's Talk

## MY NEIGHBOR AND YOURS

On the way to my office I pass a beautiful building with these words engraved upon it: "Love Thy Neighbor as Thyself." I have often wondered how many people, beside myself, read that simple, meaningful inscription? I hope many, many do. We ought to be a world of neighbors, living to make this a safer, happier, better world. Why isn't it done? Why such an unhappy world—this one?

How little cheer in the columns of our newspapers! Robert Frost, the beloved American poet, said in one of his poems that fences made good neighbors, but how much more it takes to make a world of happy working neighbors.

Each day I go neighboring in my books, for you can select the books you wish to read. Each can be a neighbor. You don't have to read a book that is not fit to read. It takes no effort to destroy if there are millions of good books to read and treasure. I don't agree that all books should go into our great libraries. If a book is indecent it should not be there.

Any intelligent person is a good judge of either a good or bad book. There will never be too many good books. Read them!

Tomorrow Mr. Adams will talk on the subject "Shine?"

## Just Folks

## THE FEAR OF AGE

I wonder the why of the struggle sometimes,  
And the lure of the baubles we seek,  
And why do men slave to the edge of the grave  
Soul-weary and fainting and weak?

What is it that makes us so eager for gold,  
That blind to earth's beauties we go?  
Then a sad-faced dependent old man I behold  
And I see, to myself: Now I know.

It is fear! Fear of age when the courage has fled  
And the light has gone out of the eye,  
When usefulness leaves us, and all hope is dead  
And youth bustles heedlessly by.

No terror I know of is equal to this:  
To be poor, to be old and alone,  
To live in the world and yet always to miss  
The friends and the joys you have known.

Down deep in the souls of us all there abides  
A terrible terror today  
That each of us bravely and smilingly hides—  
A fear of the years that are gray.

And the goal that is golden we madly pursue  
A few of life's comforts to hold  
For the days that shall be when our toiling is through  
And we've grown to be feeble and old.

## Kennedy Will Not Quit Race For Second Spot To "Placate Catholic Vote"

By JACK BELL

WASHINGTON (AP) — Other presidential hopefuls rallied today behind the effort of Sen. John F. Kennedy (D-Mass.) to erase the religious issue from the political campaign.

But despite their feeling that where a man goes to church should have nothing to do with his fitness for the presidency, there remained evidence that an undetermined number of voters will continue to consider it pertinent.

Kennedy, in fact, may have hardened the issue—instead of eliminating it—by his vigorously worded speech Thursday to the American Society of Newspaper Editors (ASNE).

While he discounted any likelihood of a Catholic bolt in November if he is denied the presidential nomination, Kennedy made it difficult for the Democrats to compromise in any way with him.

## Won't Quit Race

Kennedy termed "highly distasteful" any suggestion that he withdraw to avoid controversy and then accept the vice presidential nomination "to placate the so-called Catholic vote." Such a suggestion, he added, "assumes that Catholics are a pawn on the political chessboard, moved hither and yon."

Kennedy's best chance of proving his Catholicism won't be held against him by the voters lies in the May 10 West Virginia primary.

If he can defeat Sen. Hubert H. Humphrey (D-Minn.) there will have taken a long stride toward the nomination. But if he loses, all of his own and his rivals' words could not wipe out the belief that religion played a part in the result.

## Fear Religious Issue

Humphrey, a Congregationalist, said he doesn't want to win in West Virginia with anti-Catholic votes or even with the support of "stop-Kennedy" elements.

While he would not comment directly on Kennedy's statements, Vice President Richard M. Nixon was represented as sharing Kennedy's aversion to the injection of religion into the campaign.

Herbert G. Klein, Nixon's press secretary, said the vice president, a Quaker, "doesn't want anybody to vote for or against him, or anybody else, on the basis of religion."

Sen. Stuart Symington (D-Mo.), an Episcopalian, said it would be "deplorable for a man's religion to become an issue in the campaign."

## Want Religion Discounted

Senate Democratic Leader Lyndon B. Johnson (Tex.) told a news conference following a Houston, Tex., speech Thursday night he hoped Kennedy's religion would

hinder his chances of obtaining the nomination.

Gov. Nelson A. Rockefeller of New York, who publicly withdrew from the presidential sweepstakes last December, said "an individual's religion does not belong in a political campaign."

Adlai Stevenson, the unsuccessful Democratic presidential candidate in 1952 and 1956, could not be immediately reached for comment on Kennedy's speech.

Upon his return from South America on April 11, however, Stevenson said he deplored injection of religion into the race between Kennedy and Humphrey.

An aide said Sen. Wayne Morse (D-Ore.), who is entered in some presidential primaries, stands on his recent comment that, "No one should insist that because he is a Catholic he should be elected. Nor should anyone insist that because someone is a Catholic he should not be elected."

**MAN MISSING IN EXPLOSION OF MAGAZINE**  
SHAMOKIN, Pa. (AP) — A Shamokin dynamite dealer is missing and presumed by state police to be dead following the explosion of his powder magazine near Bear Gap about five miles northeast of here.  
No trace was found of Lester J. Honicker, 47, who for about 20 years sold explosives to independent miners. His family said Honicker normally was at the magazine about the time of the blast.  
The blast Thursday left only a crater where the 20 x 20 concrete block magazine had been. It ripped a truck in hundreds of pieces and sent them flying as much as a half mile away.

About eight houses within a thousand yards sustained extensive damage. One was pushed off its foundation. Windows in all were shattered and furniture was all knocked about.  
There were no reports of injuries.  
The explosion was heard six miles away and touched off an early report a plane had crashed.  
More than 100 volunteers covered the area but found only strips of cloth, Mrs. Honicker said.

the cloth resembled that in some of her husband's clothing.

Debris will be checked in an attempt to find Honicker's remains.

Police said Honicker reportedly planned to bury a container from which dynamite had been leaking.

**Harrisburg Negroes Will Demonstrate**  
HARRISBURG (AP) — Negro leaders here plan to stage a "peaceful protest demonstration" Saturday at two national chain stores.

Dr. George A. Jones, president of the local chapter of the National Assn. for the Advancement of Colored People, said Thursday pickets would be posted in sympathy with Southern Negroes and against what he called unfair employment practices by the F. W. Woolworth and the S. S. Kresge stores.

Jones said the demonstration would be timed to coincide with similar protests in other northeastern cities.

City and county officials said they would not interfere if the demonstrations are peaceful.

## Warriors Overcome 6-0 Deficit In Late Surge To Top Waynesboro 7-6

After being down 6-0 at the end of four and one-half innings, the Gettysburg High Warriors scored three runs in their half of the fifth and our more in the sixth to nip Waynesboro 7-6 here Thursday afternoon in a South Penn League game.

Greg Maitland started off the big sixth with a triple and Wayne Fissel, who hurled the victory, homered to deep leftfield. Terry Fox was given a base on balls and moved to third base on Bill Shoemaker's single. Shoemaker being cut down at second base. Don Coldsmith reached base on a fielder's choice as Fox raced over with the tying run. Coldsmith stole second base and reached third when Bob Furney was safe on an outfield error. Terry Hise sent Coldsmith over with the winning tally on a sacrifice fly to the outfield.

Waynesboro got off to a 3-0 lead in the first inning when three Warrior errors and singles by Don Eakle and Tom Engle combined for the scores.

Singles by Brian Sachs, Eakle, Bob Hahn, two fielder's choices and a double by John Koons gave the Indians three more tallies in the fifth.

Coach Don Young's Warriors took full advantage of wildness on the part of Orville Cronauer, Waynesboro starter, to tab three runs in the bottom of the fifth. He issued passes to Maitland, Fox, Shoemaker, Hardy, Nichols, Furney and Hise before Tom Engle relieved him and walked Ken Hull. Those walks, plus several passed balls and an infield error, sent the three runs across.

The victory lifted the Warriors' overall record to 3-1. They play at Hanover in another league game on Monday.

## WHITE SOX DEFEAT A'S BY ONE RUN

**By ED WILKS**  
Associated Press Sports Writer  
"We've got more power," said Manager Al Lopez of the Chicago White Sox. "So now we're slugging 'em to death—by one run."

The White Sox won their first American League pennant in 40 years with 94 victories last season, and better than a third (33) of them were by one run. Winter deals for Minnie Mino and Gene Freese and a spring swap for Roy Sievers, were supposed to provide more power and make things easier this year.

So now the White Sox have played two and won two — and both have been put away by one-run margins, and in the last inning.

**Beat A's Again**  
They beat Kansas City a second time Thursday, winning 5-4 on Ted Kluszewski's single in the 11th after winning reliever Gerry Staley had blanked the A's on one hit for five innings. That hoisted the White Sox into a first-place tie with idle Detroit.

The New York Yankees backed a four-hit shutout spun by rookie John Gahler and Ryne Duren with successive fourth-inning homers by Bill Skowron and Gil McDougald for a 4-0 victory at Boston.

Rookie Dan Doback's three-run, two-out homer in the ninth gave Washington a 5 victory at Baltimore Thursday night in the only other AL game scheduled.

**First HR For Skowron**  
Skowron's home run, his first, came with two on against loser Bill Monbouquette. McDougald's cleared the left field wall at Fenway Park two pitches later. Gahler, 29 had worked no more than

Albany and York will not be in the league this year because they were unable to obtain working agreements with major league clubs, according to Richardson.

Richardson said, however, he hopes to have the two clubs back in the league next year. Albany last year had a working agreement with Kansas City and York with St. Louis but the two major league clubs decided to drop them in favor of working agreements with Class AA clubs.

Richardson, a former song-and-dance man who is embarking on his 25th year as president, says the league should do as well as last year with a break in the weather. Rain and cold last year had caused 41 postponements in the first 30 days, cutting attendance

The Class A Eastern League, operating with only six teams this year, opens its 26th season tonight with Springfield a favorite to repeat as the pennant and Governor's Cup playoff winner.

A full slate is on tap tonight with Binghamton at Springfield; Williamsport at Allentown; and Lancaster at Reading.

League president Tommy Richardson will be among the celebrities on hand at Allentown to help the Red Sox open their home season.

## HOME RUNS BY PIRATES HELP BEAT PHILLIES

**By ED WILKS**  
Associated Press Sports Writer  
No National League club hit fewer home runs (112) than did the Pittsburgh Pirates last year, but now the Bucs have boomed nine in their first eight games, tops for the new season.

They rapped three while tagging 15 hits for an 11-5 job on the Philadelphia Phillies Thursday night. Hal Smith hit his second of the year, both three-run shots, and Bob Skinner made his third good for a pair of runs.

Fact is the only solo shot among the Pirates' nine was delivered by winning reliever Fred Green Thursday night.

**Braves Beat Reds**  
The only other National League game scheduled was a pitchers' duel, with the Milwaukee Braves, held to just three singles, beating Cincinnati 2-0 behind the four-hit pitching of Carl Willey.

Smith and Skinner broke Thursday night's game open against the Phils. After Pittsburgh had scored three off starter Curt Simmons and Humberto Robinson, and the Phils had tied it against rookie Jim Umbricht, Smith broke the deadlock in the fourth against Robinson, the loser.

**Roy Face Finishes**  
Skinner then got an inside-the-park homer in a four-run fifth when his drive took a bad bounce over Bobby Del Greco's head in center field. Green, who needed saving relief from Roy Face in the seventh for his second major league victory, belted his first homer in the majors off Hank Mason in the sixth.

Young lefty Jim O'Toole (1-1) blanked the Braves on one hit until the seventh. Then Red Schoendienst, leading the league with a .455 average (10-for-22) in his comeback, got a hit off O'Toole's glove, went to second on a walk and scored on Hank Aaron's single. Mel Roach made it a two-run inning with a sacrifice fly.

**Heavyweights Sign for June Bout**  
NEW YORK (AP)—After nine months of quarrels and investigations, claims and counterclaims, champion Ingemar Johansson and Floyd Patterson have signed for a heavyweight title rematch.

Today, Johansson is back in Geneva, Switzerland, and ex-champion Patterson at his Newtown, Conn., training camp. The next time they meet will be at the weigh-in for their second match at New York's Polo Grounds June 20.

The fight was signed and sealed at the offices of the New York State Athletic Commission Thursday.

Simultaneously with the signing was announcement that the high bid of TelePrompeter, Inc., of \$700,000 for the closed-circuit television, radio and motion picture rights had been accepted by Feature Sports, Inc., promoter of the fight. The fight will be carried on closed-circuit TV only.

The ticket scale will range from \$10 to \$100, and Jack Fagazy, official of the new promotional organization, beamingly predicted a million-dollar gate.

**Favor Matthews Over Vaillant**  
MIAMI BEACH, Fla. (AP)—Rival managers predicted their boys would win by a knockout but oddsmakers counted Len Matthews an 8-5 favorite over Doug Vaillant for their lightweight bout tonight.

The scheduled 10-rounder at Miami Beach Auditorium will be nationally televised (NBC) starting at 10 (EST).

Neither Matthews, 20, of Philadelphia nor Vaillant, 22, of Santiago, Cuba, has fought as many as 30 times.

Vaillant, never knocked out, lost one fight in 23. His 20 wins include 12 knockouts plus a decision over Chico Morales for the Cuban lightweight title.

Matthews has won 24 of his 28 fights, has knocked out 14 foes and lost by kayo once — to Carlos Ortiz.

Doback, a good bet to give the Senators the AL's rookie of the year for the third straight season, came on as a pinch runner in the seventh and teed off on losing.

Orlino reliever Jack Fisher (1-1) in the ninth after a pair of walks.

Pirate shortstop Dick Groat injured his hip in a collision with the Phils' Joe Koppe at second base in the eighth, but the Pirate physician said the injury appeared to be slight.

The Pirates open a three-game series with Milwaukee at Forbes Field tonight. Bob Friend (1-0) will pitch for the Bucs against Juan Pizarro (0-1).

Bob Weigle, who hurled the route for Bermudian, slashed a single and triple in the big inning which saw the winners capitalize on several bases on balls and errors to tab their runs. Fairfield rallied mildly for three runs in the fourth via singles by Ted Kane, Joe McCauslin and Dick Reese. Bermudian is 5-4 overall and Fairfield 0-2.

# MARK TWAIN'S "AMERICA" IS ON TV TONIGHT

By CYNTHIA LOWRY  
AP TV-Radio Writer

NEW YORK (AP) — Although reruns and repeats are beginning to weave themselves importantly into television schedules these mid-spring nights, there is still much that is new to look at. And the emphasis during the next seven days appears to be on "actualities" more than on drama and light entertainment.

Tonight there is NBC's "Mark Twain's America," (8:30-9:30 — Eastern Standard Time) a Project 20 production using old pictures, posters, and other source material.

There is also a sort of documentary, but in dramatic form about mental health. This, a CBS

Playhouse 90 effort (9-10:30), "Journey to the Day," is concerned with the treatment of a group of patients in a mental hospital. Unfortunately it conflicts with the Mark Twain show.

**Baseball On Sunday**  
Saturday and Sunday afternoons (2:45 to conclusion) Dodger-Cardinal baseball games will be telecast from St. Louis by NBC. Saturday, too, brings a report of Gen. Charles de Gaulle's appearance at the National Press Club in Washington (NBC, 5:30-6 p.m.).

There is another New York Philharmonic Young People's Concert Sunday on CBS (1 p.m.). Adlai Stevenson will be the guest on NBC's "Meet the Press" (6-6:30 p.m.) and (8-9) NBC will present a special report about the principals and the preparations for the forthcoming marriage of Princess Margaret and Antony Armstrong-Jones. John Dickson Carr's tale of witchcraft, "The Burning Court," will be adapted for NBC's Hour of Great Mysteries (10-11), winding up a full day.

**Tribute To USO**  
"Soldiers in Greasepaint," a tribute to the USO on its 20th anniversary will fill NBC's Tuesday night Startime (8:30-9:30) and later (10-11) there will be a Jack Paar special, with Shelley Berne, Elaine May and Mike Nichols. Keely Smith, Cliff Arquette plus tape reruns of Paar's late-evening show highlights—just in case somebody missed his famed walk-out.

John Daly will narrate another report on Africa in an ABC spe-

## Fairfield

The annual memorial service will be held in the Fairfield Union Cemetery on Sunday afternoon, May 29, at 2 o'clock. In case of inclement weather the program will be held in the Fairfield High School auditorium.

Mr. and Mrs. Earl W. Mickey, Aspers R. 1, spent last Thursday at the home of their son-in-law and daughter, Mr. and Mrs. Frank Kuykendall, Fairfield R. 1. In the evening Mr. and Mrs. Kuykendall received a telephone call from their son, Airman Kenneth F. Kuykendall, to wish them a happy Easter and to say goodbye as he was leaving Friday morning at 6:30 o'clock from the Wibley Island Air Base, Washington, to go by jet plane for an assignment of two years in Japan. His new address is: Kenneth F. Kuykendall, AN5244609, VP-50, c/o FPO, San Francisco, Calif.

The annual meeting of the Fairfield Community Council of the Fairfield Union Cemetery Association will be held Monday, April 25, at 8 o'clock at the Lutheran parish house.

Members of the United Church of Christ who will make the trip to Harrisonburg, Va., Sunday are asked to be at the church at 4:30 a.m.

Beginning on Sunday, May 1, the Sunday morning worship service in the United Church of Christ will be held at 11 a.m.

The Junior Hi Fellowship of the Fairfield Mennonite Church will meet at the church on Friday evening at 7 o'clock to go on a hay ride.

A mission study program on Africa will be held in the Lutheran parish house on Sunday at 7:30 p.m. The Rev. Harold Whetstone, who is on furlough from Liberia, will be the speaker.

Mr. and Mrs. Olmer Spence, Mr. and Mrs. Mac Sites, Mrs. William Berghaus, Lloyd Sites and Kenneth Sites attended funeral services for their relative, Blaine Sites, at Clear Springs, Md., on Saturday.

Hoy McClellan returned to his home in Roxbury, Pa., Tuesday following a three-month visit with his son-in-law and daughter, Mr. and Mrs. Olmer Spence. He was accompanied to Roxbury by his daughter, Mrs. Spence and Mrs. George Musselman, and son, Kenneth.

The meeting of the Homemakers' Club, which was scheduled to be held this week, has been postponed until Thursday afternoon, April 28, at 1 o'clock at the home of Mrs. William Newman.

Mr. and Mrs. J. Warren Martin and family spent Easter Sunday with their son-in-law and daughter, Mr. and Mrs. William Caskey, Spring Grove.

Cup cakes, ice cream and Easter favors were served pupils of the First grade taught by Mrs. Kathryn Kunkle at a party held at school last Thursday in celebration of the seventh birthday

cial Wednesday evening (7:30-8:30), and NBC's Perry Como Show comes from London with a number of British entertainment stars as guests. The highlight of the evening, perhaps, will be "Invitation to Paris," an ABC special (10-11) starring such French performers as Maurice Chevalier, Patachou, Jean Sablon and Fernandel — and entirely taped in France.

Herb Shriner will make one of his occasional TV appearances Thursday on CBS' "Accent on Comedy," (10-11) sharing the spotlight with Ray Bolger and Dorothy Loudon, a new and bright talent.

## ELLIOTT IS BIDDING FOR 2ND VICTORY

CHAMBERSBURG, Pa. (AP)—State Sen. Douglas H. Elliott hopes to make the special 18th District congressional election the second straight victory of his young political career.

The 38-year-old Republican is opposing Democrat Robert Meyers, Lewistown, for the seat left vacant by the death of Rep. Richard M. Simpson (R-Pa) in January.

Elliott, vice president of Wilson College, has the good looks and build of an athlete. He is serious but has a quick, friendly smile. His first political victory came in 1956 when he won the Senate seat representing Franklin and Adams counties.

**1,000 Miles A Week**  
Driving a 1956 station wagon painted red, white and blue, Elliott has taken his campaign for Congress through the eight-county district at the rate of about 1,000 miles a week. The counties are Somerset, Bedford, Fulton, Franklin, Mifflin, Huntingdon, Union and Snyder.

A typical campaign day begins early and includes a visit to a shop or factory, a luncheon, several group meetings and then an evening rally. After that would be campaign strategy talks with local leaders and the trip home or to the next county.

Recently Elliott has concentrated more on coffee hours arranged in various homes by local Republican leaders. These conversations, he says, give him a better knowledge of the opinions and views of district citizens.

The Elliott headquarters here has been staffed by housewives, young people, college students, old friends, friends of friends and even children.

Elliott says he wants to preserve and enlarge upon the tradition of good representation which the district enjoyed during the 23 years that Simpson was its congressman.

He says he hopes to help the district develop industrially, further its agricultural economy and translate its aspirations and desires into effective action. Married and the father of three children, Elliott is an elder of the Falling Spring Presbyterian Church.

# LUTHERANISM SEES UNION OF 3 BRANCHES

By GEORGE W. CORNELL  
AP Religion Writer

MINNEAPOLIS, Minn. (AP) — Lutheranism, organizationally the most divided branch of American Christianity, today takes a major step toward healing some of the breaches.

Three denominations unite into one.

In colorful ceremonies, 1,000 representatives of the American Lutheran Church, the Evangelical Lutheran Church and the United Evangelical Lutheran Church will seal their long-negotiated merger.

## Developing Pattern

It is the first Lutheran consolidation in the 20th Century to combine bodies of different national backgrounds.

And it paces the field in a developing pattern of Lutheran unification that promises to bring 95 per cent of the eight million members into three large bodies within the next three years.

Today's union forms a denomination of 2 1/4 million Lutherans.

It has been in the planning stage for 12 years, with thousands of man-hours spent in working out bylaws, a constitution, doctrinal statement and other merger documents.

## Differing Racial Origins

The new church takes its name, the American Lutheran Church, from one of its merging constituents.

Dr. Henry F. Schuh, of Columbus, Ohio, president of the old ALC, termed the union "a giant step toward the ultimate goal, one Lutheran Church in America."

It joins Lutherans of German origin from the ALC, those of Norwegian background from the ELC, and those of Danish background from the UELC.

## THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Pretty as a picture, isn't she? She looks "downright" angelic. Yet, five minutes from now, she may be a little bundle of fury!

Children change faster than the wind. They haven't learned to hide their feelings. But while grown-ups may present a better camouflage to the world, there are few of us without inner conflicts. And these conflicts can be serious.

It would be a lonely world if we had to keep all our problems to ourselves. We don't. God never intended that we should have to solve all our difficulties single-handed. Remember, He established His Church on earth for us. In that Church we will find understanding fellowship, and the faith to work out our own destinies.

Take your problems to Church. Pray that you will find a solution to them. Talk them over with your minister. And what seems a maze today may become a straight road tomorrow.

2 White Girls, 42  
Negroes Arrested

GREENSBORO, N. C. (AP)—Two white college girls, one from Pennsylvania, and 42 Negro students were arrested Thursday when they sat at a S. H. Kress & Co. lunch counter.

The two white girls were Margaret Neff, 20, of Pottstown, Pa., and Mary Ellen Bender, 21, of Leonia, N. J. Both are students at Bennett College here. The Negroes arrested attend North Carolina A & T College.

All were charged with trespassing. They were photographed and fingerprinted at City Hall, and released for trial next Wednesday.

The lunch counter was closed with a railing. The students were warned they would be prosecuted if they crossed it.

LEVITTOWN, N. J. (AP)—The Rt. Rev. Alfred L. Banyard, bishop of the Episcopal Diocese of New Jersey, will lay the cornerstone Saturday afternoon for a \$175,000 church in this fast-growing community.

The church was built, in a unique approach, through an assessment on all Episcopal churches in Central and South Jersey. The Rev. Canon Gilbert Martin has been holding services in the church since last fall.

CLAIM WOMAN  
SOLD BABY, 2

JERSEY CITY, N. J. (AP)—Hudson County detectives have arrested Mrs. Fay Wasserman and charged her for the second time with placing children for adoption without legal authority. They say she purchased a 2-year-old boy for \$45 and resold him for \$2,100.

Mrs. Wasserman, 49, was first arrested on the same charge on March 8, when detectives said she was running a black market ring dealing in new born infants. Asst. Hudson County Prosecutor Edward F. Zampella also said the 2-year-old boy had been entered as an infant under another name in Hudson County birth records. Zampella said an investigation would be made into the alleged birth certificate fraud.

Mrs. Wasserman fainted at arraignment proceedings. After being revived, she was released in \$25,000 bail on both charges.

She had been free on bail awaiting grand jury action on the first charge.

DRIVE IT!

OUR

A pair of Corvairs recently recorded 27.03 and 26.21 miles per gallon in the 2,061.4-mile Mobilgas Economy Run. That's certified proof that Corvair skimps on gas costs. It saves other ways, too. Corvair is the only U. S. compact car that never needs antifreeze or costly radiator repairs. Come in and drive the compact car that outdoes them all.

## Things Corvair gives you that America's other compact cars can't:

**Practically flat floor**... real foot room for the man in the middle. **Fold-down rear seat** gives 17.6 cu. ft. of extra storage space. **Four-wheel independent suspension** for a smoother, flatter ride.

**Rear-engine traction**... that comes with the engine's weight bearing down on the rear wheels.

You probably realize already that the mileage figures Corvairs recorded in the Mobil-

gas Run are higher than the average driver can expect. But because the cars met every kind of driving condition—rugged mountain grades, long country straightaways, congested city traffic—those mileage figures prove Corvair's inherent ability to save. Operating costs take a nose dive the day you take delivery of a Corvair.

## SEN. CLARK TAKES HAND IN 17TH RACE

WILLIAMSPORT, Pa. (AP) — National Republican figures will be disappointed if they expect a special election in Pennsylvania's 17th Congressional District to be a sign of GOP vitality and enthusiasm, says Sen. Joseph S. Clark, (D-Pa.).

Clark made a surprise visit at a party rally here Thursday night in an apparent effort to offset the appearance of Gov. Nelson Rockefeller of New York on Wednesday.

Rockefeller, campaigning for an old college roommate, Herman T. Schneebeli of Williamsport, had said the special election and another in the 18th District were very important for the Republican Party.

### Hits At Outsiders

Clark, plugging for the election of Atty. Dean Fisher of Williamsport, agreed that the nation will be watching the two elections next Tuesday.

But, he said, the Republican Party and the country will find that the Democratic trend in Pennsylvania is continuing and that "Eisenhower Republicanism" no longer has support.

Fisher hit at out-of-state Republicans—including Rockefeller and national GOP chairman Thruston Morton—called into campaign for Schneebeli.

**Attack Administration**  
"They know nothing of the problems of Central Pennsylvania and, even worse, they care less."

Both Clark and Fisher challenged Schneebeli to take a public stand on the issues. They had claimed he has failed to do so.

"In 1960," Clark said, "being an Eisenhower Republican means refusing to take a firm stand on Civil Rights (and) being against federal aid to education, medical care for the aged, legislation for unemployment, and cleaning up our streams."

Rep. Daniel P. Flood (D-Pa.) also spoke, striking at what he called the administration's failure to maintain an adequate Army and an airlift.

## Three Indicted For \$82,000 Fraud

GREENSBURG, Pa. (AP) — Three men have been indicted on charges of bilking a Latrobe physician of \$82,000.

A Westmoreland County grand jury returned the indictments Thursday against Adam Bagdasian of Silver Springs, Md.; Herman Wilensky of Miami Beach; and Frank Jones, who has no address listed.

The three men, the state contends, talked Hamill into investing money in a horse-betting scheme from June to November of 1959.

Bagdasian and Wilensky are in a Rockville, Md., jail on narcotics and horse betting charges. Jones is free on \$40,000 bond.

## Sets High School Record For Mile

UNIONTOWN, Pa. (AP) — Joe Thomas, Uniontown High School speedster, has set a state record in the mile run for high school boys.

The senior was clocked at 4:19 in a dual meet with Conellsville Thursday.

Last week Thomas ran the mile in 4:21 at the Mansfield (Ohio) relays. That was the fastest time for any high school miler in Ohio and Pennsylvania.

## MORTON PUTS NEW BLAME ON DEMOCRATS

By STERLING F. GREEN

WASHINGTON (AP) — Republican National Chairman Thruston B. Morton charged today that Congress has fallen victim to legislative paralysis because of what he called factional splits and power struggles within the Democratic majority.

In an address prepared for the annual meeting of the American Society of Newspaper Editors, Morton appealed for election of a Republican Congress.

He said Democratic party divisions go far beyond the civil rights issue. They have fostered competitive spending programs and immobilized legislation on farm surpluses and other key problems, he added.

### Nothing Done Yet

Morton said "the present Congress has been in session over a calendar period of more than 100 days, and yet until yesterday not one — not a single one — of the President's 166 legislative proposals had received final action."

"Yesterday, after more than 3½ months, the civil rights bill—which contained some but not all of what the President asked—was sent to the White House."

"The chief preoccupation in a Democratic Congress is enforcing an agreement to avoid party-splitting controversies. Consequently, many major issues are watered down in a Democratic effort to placate all the rival

dress listed. They were charged with false pretense and conspiracy to defraud Dr. Jack Hamill.

The three men, the state contends, talked Hamill into investing money in a horse-betting scheme from June to November of 1959.

Bagdasian and Wilensky are in a Rockville, Md., jail on narcotics and horse betting charges. Jones is free on \$40,000 bond.

# Strange Primary Is Ahead Tuesday In Pennsylvania

By JAMES E. WALTERS  
PHILADELPHIA (AP)—Pennsylvanians hold a strange primary next Tuesday. No one—including the professional politicians—seems quite sure what to expect.

It's possible that the state will give a big boost to some presidential hopeful. It's also possible that the vote in two special congressional elections will give an indication of things to come nationally next November.

Only one name is on the presidential preference ballot: Vice President Richard M. Nixon. There are provisions, however, for write-ins. Election boards plan to tabulate those of Gov. Nelson A. Rockefeller on the Republican side and those for Adlai Stevenson and Sens. John Kennedy (Mass.), Lyndon Johnson (Texas), Stuart Symington (Mo.) and Hubert Humphrey (Minn.) on the Democratic side.

## No Organized Write-ins

By all rules of politics, Nixon should win this contest hands down. Nearly every GOP leader in the state was for Nixon even before Rockefeller said he was no longer a candidate.

And write-ins on election machines—used to count much of the state—can be a tricky, time-consuming process for a voter. No organized write-in campaign has

materialized, so any huge outpouring of votes for one presidential hopeful would be hailed by his supporters as a spontaneous voicing of voter sentiment.

If this should come on the Democratic side, it conceivably could run head-on into Gov. David L. Lawrence. Lawrence, one of Stevenson's most fervid backers in 1952 and 1956, has asked that the state's huge block of delegates—81 votes—go uncommitted to the national convention. There has been only a two-vote public defection from this policy—one for Kennedy, one for Stevenson.

## Calley Most Able

Lawrence, while styling Stevenson as the most able man available today in either party, reportedly feels that if he announced his choice now the state delegation would split into four or five blocs, greatly reducing its power at the convention. (Symington, for example, said "I don't think anyone else could make a better vice president" when asked if he would like Lawrence as a vice-presidential running mate.)

For the Republicans, Nixon seems to have the state's 70 convention votes locked up.

Some delegates in both parties have pledged to support the popular vote winner in their district. But, by law these pledges are not

binding.

## Vigorous Campaigns

The special Congress races are in districts long considered as a safely Republican. Richard M. Simpson, chairman of the GOP Congressional Campaign Committee, held the 18th District seat for 22 years until his death in January. The late Alvin R. Bush held the 17th District seat 10 years.

Republicans Herman T. Schneebeli in the 17th and Douglas H. Elliott, a state senator, in the 18th are considered by most observers as likely winners. However, Democrats Robert M. Meyers, who came the closest to defeating Simpson, and Dean R. Fisher, in the 17th, have conducted vigorous campaigns.

Any significant shift in either district would be hailed by, as the case might be, the GOP or Democratic national party organizations. Republicans have a lead of 17,711 registered voters in the 18th District; slightly less than that in the 17th. In the entire state there are 2,542,537 registered Democrats; 2,565,553 registered Republicans. President Eisenhower carried the state in 1952 and 1956.

## Race Betting Issue

There are only two statewide contests in the primary—for the Republican nomination as state treasurer and the Democratic nomination for Superior Court.

One of the most heated issues has been the question of betting on harness races. Fourteen counties—who contain nearly half of the state's voters—will hold refer-

The State Council of Churches, a Protestant group, has led a vigorous campaign against betting. Both the Republican and Democratic state chairmen have taken a hands off policy, but Lawrence has said he personally will vote "yes" and the Philadelphia city boss, Congressman William J. Green Jr., a Democrat, says he is "working hard" for the proposal. It will allow parimutuel betting to be established by no more than four corporations.

## INFIRM ACTORS SUPPORTED BY MOVIE COLONY

By BOB THOMAS  
AP Movie-TV Writer

HOLLYWOOD (AP) — Recently I took a drive far out in the San Fernando Valley to visit an old friend, Mack Sennett.

Mack had a serious illness and checked into the Motion Picture Country Hospital in Woodland Hills to beat the rap. I was happy to see him spry and hale again and his old gruff self. I was also happy to get a look at a place I had heard much about but had never seen.

Director Leon Jaris showed me around the Motion Picture Country Hospital and home, an establishment that may be unique in American industry. This is where Hollywood takes care of its ill and aged.

### Has Three Sections

The place is divided into three sections: The hospital, shiny and modern, equipped with the best operation and rehabilitation equipment; the rest home, where the infirm are cared for; the cottages, where movie people can spend their sunset years among friends in cheerful surroundings. Total accommodations: 100, with a rest home for 80 more abiding.

The generosity of the film folks is seen everywhere. A grand piano from William Holden. Trees planted in memory of Kay Kendall by George Cukor. The dining room from Louis B. Mayer. The Lucille Gleason rose garden. Cottages bearing the names of Jack Benny, James Cagney, Claudette Colbert, Cary Grant, Robert Taylor, Chic Sale, Mary Pickford.

### Well Cared For

The guests are well taken care of. Studio hairdressers come twice weekly to beautify the ladies. Entertainers drop in to put on shows. Movies are shown twice a week.

Later I dropped by the Hollywood office of the Motion Picture Relief Fund to learn more about the operation. Miss Wilma Bashor, who has been with the fund for 30 years, told me it is supported largely by payroll deductions of movie workers, usually one percent of their salaries.

In 1921, Hollywood tied in with the Actors' Fund of New York, then founded the relief fund in 1924. The Country Hospital and home were built in 1942.

The fund also gives relief payments to needy families in the film industry. Miss Bashor added: "We differ from some relief agencies in that we don't pauperize our people. We give them what is needed with concern for their self-respect."

Mark Twain rephrased it this way: "The lack of money is the root of all evil."

## Boy Perishes In Farm Home Fire

HONESDALE, Pa. (AP) — Ronald Temple, 17, died Thursday in a fire which destroyed the family farm house.

His brother, Emory, 15, jumped to safety from an upstairs bedroom. He injured his ankles, but was able to walk half a mile for help.

The boys' mother, Mrs. Mildred Temple, was in the barn when the fire began.

## CBS SCORES WITH 'YEARS AGO' THURSDAY

By CYNTHIA LOWRY  
AP TV-Radio Writer

NEW YORK (AP)—CBS' Show of the Month wound up its season Thursday night on a pleasant, if minor, note. The play was "Years Ago," a 90-minute adaptation of Ruth Gordon's dramatic memoir of about how, in 1912, she set out from Wollaston, Mass., to become an actress.

The slight story was full of warm touches and gentle humor. Sandra Church, although a bit mature to be a convincing 16-year old, was a determined and completely stage-struck young Ruth Gordon Jones. Robert Preston, whose vitality is a bit overpowering when confined within a small TV screen, played the salty and loveable father, Peggy Conklin was just right as the sentimental and affectionate wife and mother.

More vignette than comedy, "Years Ago" proved a gentle and sweet interlude in the week's output of assorted mayhem.

Two of TV's most intelligent, brightest women stars can find regular network employment only by panel-sitting on games shows. It seems curious that CBS and NBC can't find a spot for a daytime show for either Arlene Francis or Faye Emerson.

Recommended tonight: "Mark Twain's America," NBC, 8:30-9:30—based on source materials; Playhouse 90, CBS, 9-10:30—"Journey to the Day," a play about mental health, with Mary Astor, Janice Rule, James Dunn.

Officers described the operation as a "shooting gallery," meaning a location where an addict can obtain an administered dose but cannot buy drugs to carry off the premises.

Police said the apartment was occupied by Robert E. Pierson, 32, a tailor, also known as Robert Dumas. He was charged with illegal possession of drugs.

With him at the time, officers said, were Fred Anderson, 33, of Ambler; Bernard Sims, 33, of Norristown, and Harry Gumby, 31, and Eugene Wilson, 36, both of Philadelphia. They were charged with illegal use of narcotics.

## PROVISION FOR "RESTRICTED" PA. LICENSES

By FRED B. WALTERS

HARRISBURG (AP)—Restricted drivers licenses will be permitted for some persons found physically unfit to drive under the new examination program, the state highway safety commissioner said today.

"We have a lot of restricted drivers licenses now that people aren't aware of," said O. D. Shipley.

"For instance, we permit veterinarians and physicians who have had their licenses lifted to drive on calls," he added.

**Many Restrictions**  
Restricted licenses also are granted to parolees and furloughed mental patients as part of their rehabilitation and to juvenile traffic offenders taking school driving courses.

In addition, there are the more common restricted licenses for the persons with visual defects.

Among the 10 items to be checked by physicians when the driver examination program begins, three possibly will be subject to restricted licenses, Shipley said.

These are neurological disorder, hypertension with complications and neuropsychiatric disorders. He emphasized that not all persons found with these disorders will be granted a restricted license.

**May Take Appeals**

"It will be the opinions and recommendations of the physicians that we will evaluate in reaching a decision," Shipley said.

Shipley said persons disqualified for failure to pass physical examination will have the opportunity to present appeals to a board of review in the Revenue Department, which administers the Highway Safety Bureau.

The first to come under the physical examination program will be new applicants for licenses, starting June 1. Licensed drivers will be examined starting Oct. 1, with the group licensed prior to 1924 the first to be called.

NEW DELHI, India (AP)—Prime Minister Nehru and Chou En-lai met today for their fourth private talk on the Indian-China border dispute. There have been no official communiques on the discussions over 51,000 disputed square miles of the Himalayan frontier.

BRUSSELS, Belgium (AP)—A Belgian DC4 airliner crashed near the top of a mountain in the Belgian Congo early today, killing all 35 persons aboard.

CAPE TOWN, South Africa (AP)—Nearly 1,600 persons—including 94 whites—have been jailed in the government's drive to quell racial strife in South Africa, Justice Minister Francois Erasmus told Parliament today.

This figure does not include the thousands of Africans arrested on various charges in the continuing raids on Negro settlements around major cities.

The detentions were made under the broad powers of the Nationalist government's March 30 state of emergency proclamation invoked after bloody Negro riots against the white government's race laws.

MOSCOW (AP)—The Soviet Union has awarded Lenin prizes to more than 60 persons, including the journalist son-in-law of Premier Nikita Khrushchev.

The prizes of 75,000 rubles each—\$7,500 at the tourist rate of exchange—are awarded annually on the birthday of Nikolai Lenin, leader of the 1917 Bolshevik Revolution, who died in 1924.

## FIRE DESTROYS PRETZEL PLANT

HANOVER, Pa. (AP)—Fire destroyed the Hanover Pretzel Co. factory, damaged two apartment houses adjoining the plant and it forced 12 persons from their home Thursday.

Fire Chief John Furman said the blaze apparently was caused by an overheated oven in the factory at the rear of the apartments. He tentatively estimated damages between \$75,000 and \$100,000.

One fireman was hospitalized with a leg injury. Another was hurt when a falling light pole knocked him part way down an aerial ladder. Three others were treated for burns and cuts.

All 12 persons, including a bed-ridden woman, were evacuated from the apartments and nearby houses. Their furniture was moved to the street.

Hanover firemen were joined by volunteer companies from neighboring communities in the two-hour battle.

They succeeded in confining the flames to the 100-year-old, two-story brick factory. However, the nearby structures sustained water damage.

## BEAUTY QUEEN IS FOUND SLAIN

McALLEN, Tex. (AP)—Police questioned suspects today in an effort to solve the rape-slaying of a dark-haired beauty queen whose partially-clothed body was found floating in a canal Thursday.

The body of Miss Irene Garza, 25, missing for six days, was pulled from the canal about a mile from her home and less than

nesburg, said today he left South Africa because he believed he was about to be arrested for his sharp attacks on the government's racial policies.

He told a news conference he and his colleagues thought it important that he remain free to speak to the outside world about events in South Africa.

Bishop Reeves arrived from Rhodesia Thursday.

## MAY NOMINATE ROCKEFELLER

SCOTT'S BLUFF, Neb. (AP)—State Sen. Terry Carpenter says that if Nebraskans send him to the Republican National Convention he plans to nominate Gov. Nelson A. Rockefeller of New York for president.

"Only the governor can stop me," Carpenter said Thursday night.

Carpenter said it irks him to think that Vice President Richard M. Nixon might not have opposition at Chicago in July.

"And I don't think Nixon can win in November," he added.

Carpenter created an uproar at San Francisco in 1956 when he became angered because Nixon had no opposition for vice president.

He attempted to nominate a mythical "Joe Smith" as an opponent. But he was cut off abruptly by the chair.

## Plan Postseason Pro Grid Game

PHILADELPHIA (AP)—The National Football League Players Assn. reports the league has approved a postseason game in Miami's Orange Bowl with 75 per cent of the gate going into the players' pension fund.

The tentative date of the contest is Jan. 8. It will match the second place teams in the Eastern and Western conferences.

At the opening session Thursday of its annual two-day meeting, the association discussed the extension of its pension plan to players on league rosters during the 1959 season.

a dozen blocks from the busy downtown section of this Lower Rio Grande Valley city.

The autopsy report showed the teacher died from blows on the head before she was tossed into the small canal.

Authorities estimated she had been in the water since Saturday night, shortly after leaving home in the family car to attend church. The car was found near the church Sunday.

ADVERTISE IN THE TIMES

## YANKEES MAY HAVE NEW ACE

BOSTON (AP)—Could it be the Yankees have found a new Ed Lopat?

John Gabler, a 29-year-old veteran of the minor leagues, looked very much like New York's old junkman Thursday when he fashioned a fancy 4-0 shutout of the Boston Red Sox.

Not that he looks like Lopat physically. The present Yankee pitching coach, who won 126 games in the late 40s and early 50s, is a stubby, chunky, left-handed blond.

Gabler, making his first real start in the majors, is a tall, slim, dark right-hander.

But they pitch the same—no fast ball to talk about, lots of breaking stuff, a knuckler, good control and several speeds. They're always around the plate, low, in and out and lots of dippy-doodle.

That was Gabler's formula against the Red Sox. He allowed only three singles in the seven innings he worked and got himself out of minor jams in the third and fifth innings by getting sharp-hitting Pete Runnels to ground weakly to first and getting Don Buddin to hit into a double play.

He retired the last four batters he faced, but three of them hit the ball well to left field and Yankee Manager Casey Stengel lifted him.

## THREE TIED IN WOMEN'S OPEN

By HAROLD V. RATLIFF

DALLAS, Tex. (AP)—Fay Crocker, the winning master of concentration; Wiffi Smith, piano-playing redhead, and Joe Ann Prentice, who again is knocking at the door to the big money led the \$10,000 Dallas Women's Open into its second round today.

They shot 2-under-par 68s Thursday to top a field of 40 pros and amateurs that started the fifth annual tournament.

Miss Smith, from St. Clair, Mich., carries a piano around in her car on which to practice classical music. She is after her second Dallas Open title.

Miss Crocker, the veteran from

Montevideo, Uruguay, who thinks concentration is the best part of her game and is the leading money winner of the year to prove it, hit 17 greens and was putting like a machine.

Miss Prentice, from Birmingham, Ala., also was putting well, pushing in one for 30 feet and one for 20. She has yet to win a first pairing.

Louise Suggs of Cincinnati, who was champion here last year, wound up with a steady 70 for fourth place.

### New "Flash Freeze" Unit To Expand Services For Kennie's Mart Customers

New products, new services and new opportunities to save on high quality foods—those have come to be features expected regularly at Kennie's Market on S. Franklin St.

The newest announcement at Kennie's Market tells of the current installation of quick freeze refrigerator units where freshly killed quality beef will be "flash frozen" for Kennie customers.

Quarters of beef, raised and fattened in Adams County, are on sale at Kennie's at 39 cents a pound for front quarters and 19 cents a pound for hind quarters. The quarters are available from 85 to 110 pounds.

**Free Services**  
Purchasers of quarters of beef there can have it flash frozen and cut and wrapped into convenient "meal size" packets. The freezing and cutting are free but there is a two-cents per pound wrapping charge.

Only quality meats are handled and Proprietor Kenneth Foust said: "This beef is mostly from young or yearling, grain-fed cattle and all of it is freshly-killed and

quick frozen." The new "flash freeze" units are expected to be in operation at Kennie's within a week.

Kennie's display ads this week tell also of the addition of a new line of tasty delicatessen foods fresh from Marty's kitchens—baked beans, potato salad, coleslaw, ham spread and chicken salad.

**Specialize In Meats**  
Kennie's Market takes special pride in its meat department which carries a wide line of offerings, some of it produced on the farms of owner, Kenneth Foust, in Franklin and Adams Counties. Kennie's keeps before its customers a standing offer for special cuts of meat that will be prepared to the order of the customers.

If a customer fails to see the type of meat or cut he wishes in the chilled self-service display cases, all he has to do is ring the bell and an attendant will respond promptly to fill his needs.

A popular addition to the store's meat department, introduced in the first year of operation here, is the equipment for barbecuing chickens, hams, or spareribs to the customers' orders. Sunday hours are observed at the market now so that housewives may stop in after church for a barbecued chicken or other meat for the family Sunday dinner. The delicatessen line is proving popular for such occasions, too.

Manager Kenneth Foust is shown at the refrigerated meat and dairy section of Kennie's Market, S. Franklin St.

### Carpet 'Feast' At Raymond's

It's carpet color jubilee time at Raymond Home Furnishings in Lincoln Square.

Color dominates the floor covering news this season and offering a wide variety of new qualities in a range of brilliant new colors, Lees carpets are stealing the show this spring. They can be seen at Raymond Home Furnishings.

In two new qualities alone, "Simplicity," a quality twist type, and "Enchantress," a random sheared plush lovely, Lees presents a total of 47 carpet color choices.

Carpets this season have been called a "feast for the eyes and a treat for the feet." They are designed to coordinate and complement the trends in other areas of home furnishings.

Carpet colors for the sixties include such brilliant shades as vibrant purple, mauve, orange, pumpkin red and turquoise. The greens which run right through to olive shades have turned to the yellow side. Golds are deeper and richer. Some browns have more sunny yellow tones. Greys are warmer in tone. Greys, long dormant in carpet fashions, may be on the way back with these softer values.

On a windy day take a box of thumb tacks along on a picnic to hold down tablecloth and paper plates.

### NAVY TO FIRE MISSILE FROM OCEAN AREA

POINT MUGU, Calif. (AP) — Navy plans to demonstrate today a novel theory that large intercontinental ballistic missiles can be launched from the ocean by floating them like spar buoys.

Spar buoys are those which float partly submerged in a more or less upright position.

Newsmen will watch the launching of a demonstration model—a 70-inch missile fueled to burn only half a second. The idea is to prove a double-barreled theory:

1. That the missile will float upright when it surfaces.

2. That it can be successfully ignited under water.

**Studied For Year**

The launching method has been under study at the Navy's Pacific missile range here for a year all began, the Navy said, when a young scientist watched a soft drink bottle floating in the lagoon adjacent to the range headquarters.

The partially filled bottle, though bobbing in the waves, always returned to an upright position with the bottom of the bottle in a direct line with the center of the earth.

A Navy spokesman said ocean launchings of the big ICBMs would eliminate the tremendous investment of building costly launching pads on such dry land sites as neighboring Vandenberg Air Force Base.

### Alcoa Sales For 1st Quarter Up

PITTSBURGH (AP) — Frank L. Magee, president of Aluminum Co. of America, gives consumer uncertainty as the reason why business in general has not reached boom expectations.

"When this uncertain period has ended, we are convinced that a substantial upsurge in the use of aluminum will take place," Magee told the annual shareholders meeting Thursday.

Alcoa announced its first quarter net income for 1960 was \$12,635,046 or 56 cents a share compared with \$10,725,430 or 49 cents a share for the same period in 1959.

Sales for the first three months were \$221,177,053 compared with \$189,573,648 for the first quarter in 1959.

### Top Wrestlers At PSU For Weekend

UNIVERSITY PARK, Pa. (AP) — Some of the East's finest wrestlers meet here today and Saturday for places on the United States' 1960 Olympic wrestling team.

Several present and former champions are entered in the District II eliminations.

They include Bill Farrell, 1958 Canadian national light-heavyweight champion and four-time New York king; Penn State's 1960 Eastern heavyweight titlist Johnstone Oberly, and featherweight Dick Santoro, former Lehigh University Eastern intercollegiate champion.

Army brought a 12-man team of former collegiate wrestlers from all parts of the nation.

KNOXVILLE, Tenn. (AP) — A child bride at 13, Sue Carroll Thomas Tipton has filed suit for divorce from Eddie Lee Tipton, 19.

Mrs. Tipton, now 14, said they were married March 28, 1959 and separated last month. Her petition charged nonsupport and cruel and inhuman treatment.

SAN FRANCISCO (AP) — Jefferson A. Beaver was elected president of the San Francisco Housing Authority Thursday, the first Negro ever to head an agency in the city's government.

### BOTH SIDES MAKE GAINS ON BETTING

PITTSBURGH (AP) — Each side of the referendum on legalizing pari-mutuel betting at harness race tracks in Pennsylvania is attracting more and more supporters.

The referendum will be voted on in 14 counties in next Tuesday's primary.

Edward L. Flaherty, Republican party chairman in Allegheny County, said Thursday 3,320 party workers will distribute cards at polling places in the county urging voters to reject the proposal.

**Opposed By Paper**  
The Pittsburgh Post-Gazette continued its fight against the referendum with a page one editorial.

al in today's edition. Contending that estimates of net tax revenue that will result from legalized betting are exaggerated, the paper said:

"But worst of all is the unholy alliance of the gambling fraternity and public officials."

Rabbi Harold Silver of Temple Emanuel in nearby Mount Lebanon joined clergy of the Catholic and Protestant faiths yesterday in opposing legalizing betting. He called it "legalized fraud and dishonesty."

Meanwhile, AFL-CIO Bartenders Local 18 is backing the referendum. President Lawrence Sarriks said:

"We'll never know whether race track betting is an evil as its critics fear or as beneficial as its supporters promise unless it is given a trial run."

Wash plastic pill bottles and use them as containers for mustard, catsup and dressings you take on a picnic.
